

# 23<sup>rd</sup> Annual Law Ride - 2018 -

## If We Don't Remember Them, Who Will?

Join the Blue Knights and Punishers Law Enforcement Motorcycle Clubs as we ride to remember our fallen law enforcement heroes

**Sunday May 13th, 2018**

The 23rd Annual Law Ride honors all law enforcement officers who have paid the ultimate sacrifice for being part of the "Thin Blue Line".

We lost 129 brothers and sisters in the Line of Duty in 2017. They gave their lives protecting all that we love and hold close...our communities, our families and our country. They made the ultimate sacrifice.

Come out and show your support for the families, friends and colleagues of our fallen heroes.

Washington Metropolitan Police Motor Squad will provide an escort to RFK Stadium. The group will meet at the NOVA Annandale Campus (8333 Little River Tpke, Annandale, VA) at 0800 hrs and assemble in parking lot "B-7". Use the main entrance (at the marquee on Lake Drive) and then turn left at the fork to the lot. Kickstands up at 0900 hrs.

Upon arrival at RFK we will assemble with our fellow riders from across America and ride to the National Law Enforcement Officers Memorial for a 1100 hrs ceremony and wreath laying.
